to each class!

Shoe Policy for Company Performances

Students who perform in company performances will receive one pair of shoes for a given number of performances.

Beginning Pointe

- Students in Intermediate will go through pointe assessments – a series of exercises that provides feedback on pointe preparedness. The decision to start pointe work will be made on an individual basis with the advice of the instructors and the feedback from the assessment, even if a student has been on pointe at a previous studio.
- Students purchase pointe shoes only AFTER permitted by their instructors. Instructors will check the fit of the shoes to ensure the students purchase proper shoes for their feet. Students should sew ribbons and elastics on their shoes AFTER they receive approval from their instructors.
- Academy faculty discourages students from practicing pointe work outside the Academy studios unless otherwise approved. **Pointe work is difficult and can be dangerous if practiced unsupervised and on improper floors.**

Class Etiquette

1. Bring energy, enthusiasm, and eagerness to learn in classes.
2. Students should arrive on time.
 - Injuries can be caused by insufficient warm-up, and interruptions are distracting to the other students in class. If a student is more than 10 minutes late, the teacher must give permission for the student to participate in class.
3. Students may bring water in a resealable plastic or metal bottle.
4. Students should refrain from distracting others during class and playing on the piano.
5. Students should arrive wearing a cover-up over their class uniform, including proper hair.
