## CLASS OBSERVATIONS

FALL SEMESTER: OCTOBER 19<sup>TH</sup>- NOVEMBER 8<sup>TH</sup>

SPRING SEMESTER: MAY 3<sup>RD</sup>- 23<sup>RD</sup>

## EVALUATIONS

### LOWERSCHOOL 1 - 4 + BOYS

- Evaluations distributed in December and April
- Lower school Intermediate students receive three (3) pointe assessments in August, September, and October

### UPPERSCHOOL I - IV + UPPERSCHOOL BOYS I AND II

- Students will complete an evaluation class in March
- Evaluations distributed in April
- Consultations held in January and May with the Academy artistic staff

## LEVEL PLACEMENT

The Academy's artistic staff determines the class placement of each student. Faculty members evaluate students on artistry, physicality, maturity, and technical ability.

Each student progresses at a different pace; therefore, students in the same level may progress at different times.

Academy artistic staff will meet with families prior to placement and registration being sent to discuss any concerns about student progression.

## BEGINNING POINTE

Students in Level 4 and Intermediate will go through pointe assessments – a series of exercises that provide feedback on pointe preparedness. The decision to start pointe work will be made on an individual basis with the advice of the instructors and feedback from the assessment, even if a student has been on pointe at a previous studio.

Students purchase pointe shoes only AFTER being permitted by their instructors. Instructors will check the fit of the shoes to ensure the students purchase proper shoes for their feet. Students should sew ribbons and elastics on their shoes AFTER they receive approval from their instructors.

The Academy faculty discourages students from practicing pointe work outside the Academy studios unless otherwise approved. Pointe work is difficult and can be dangerous if practiced unsupervised and on improper floors.
