## HOUSTON METHODIST PARTNERSHIP

Houston Ballet and Houston Methodist have an ongoing partnership to provide athletic training support to the Professional Program students and Company dancers. Students in the Professional Program have access to schedule appointments with the Athletic Trainer for any acute or chronic injury. Additionally, the Houston Methodist Athletic Trainers can assist with scheduling appointments with the appropriate medical teams through Houston Methodist. Please note that students are financially responsible for any medical appointments outside of appointments with the Athletic Trainer onsite at the Margaret Alkek Williams Center for Dance.

## STUDENT PHYSICALS

Pro 1 & Pro 2 students are required to submit a physical before the start of the Fall semester. Physicals submitted for the 2025 Summer Intensive Program will be accepted. HBII students will have a physical completed with Houston Methodist at the beginning of the season (pending availability). Additional health information must be completed on the Medical Information form in the PowerSchool Parent Portal.

## MEDICAL INSURANCE

All students must be medically insured to dance in the Professional Program. Insurance must be eligible in the state of Texas. It is highly recommended that your student's medical insurance be accepted by Houston Methodist. You can view medical insurance accepted by Houston Methodist on their website [HERE](#).

Proof of insurance should be uploaded to your student's Medical Information form in the PowerSchool Parent Portal.

Families are responsible for all fees, including co-pay and full payment upfront if needed.

## INTERNATIONAL STUDENT HEALTH INSURANCE

Houston Ballet Academy strongly recommends that international students have health insurance that is eligible in the state of Texas and accepted by Houston Methodist. Health insurance should include comprehensive coverage and ensure that the plan is administered by a reputable company. As an international student, it is recommended to have a plan that covers repatriation of remains and medical evacuation. Two options available through International Student Insurance are the [Student Secure plan](#) and the [Student Health Advantage plan](#).

# HEALTH POLICIES

## ACADEMY STUDENT WELL-BEING POLICY

The health of our students is essential to maintaining a positive and productive environment. Houston Ballet Academy provides resources to address the physical and emotional health of students that may arise during the Professional Program. Students who encounter health issues are encouraged to reach out to any number of Academy resources, including but not limited to the Associate Director of Student Life, Director of the Academy, and the Houston Methodist Athletic Trainer. Parents/Guardians who are concerned about their student's health are encouraged to contact the Academy staff for support.

Houston Ballet Academy is not responsible for administering any medications and will not administer any medications. All students are responsible for their medications on a daily/as-needed basis.

Students who become ill or injured must notify a staff member immediately. In the event that a student is ill and has not attended a doctor's appointment, it is the policy that the student must see a doctor if they do not recover within three days. If a student becomes ill or injured, and a doctor's appointment is necessary, the Associate Director of Student Life will arrange an appointment for the student. The parent/guardian of the student will be notified.

Appointments are typically made at Houston Methodist facilities or the Med-Spring Urgent Care locations, and an Academy staff member will drive the student to the doctor's office and accompany them to the appointment. The student will be responsible for bringing proof of medical insurance and all fees, including co-pay, and full payment upfront if needed.

The Associate Director of Student Life must be notified if the student will be missing classes.

For medical and HIPAA reasons, we cannot have minors at medical appointments by themselves without an adult in the room.

Any time a minor is riding in the personal car of a Houston Ballet employee, the staff member should have written consent from the parent/guardian of the student to be driven by the staff member. The Associate Director of Student Life will be responsible for obtaining this consent for staff members outside of the Academy department.

The Houston Ballet Foundation reserves the right to revoke, change, or supplement guidelines at any time without notice.

The Houston Ballet Academy employs thoroughly trained instructors, and the utmost care is given to all students; however, the Academy cannot be held responsible for any injuries sustained by a student. Students who become injured will be evaluated by our on-site Athletic Trainer and, if necessary, see a doctor. Based on the doctor's opinion, the Athletic Trainer will work with the student and faculty in their recovery, and the student will need the doctor's release to return to the full class schedule.
